Dear Player and Family

### U16s Coaching news

Johan Van Schalkwyk unfortunately has had to step down from the role as our U16 coach for the remainder of the season due to work and family commitments. Johan will be back in 2011 to take on the U18s in the senior competition. I would like to thank him for his hard work and commitment to the team and the Junior Club.

John Winters (Riley's Dad) will join Russell Chapman in the coaching group. John has been assisting Johan over the season and has kindly put up his hand to take a greater role. He will be a valuable member of the coaching team. Russell Chapman has also done a great job coaching and studying at the same time and his support over the past three seasons is part of the foundation this team is built on. Sean Jones, Johan and Russell have developed a U16 playing policy which is endorsed by the club to guide the team for the remainder of the season. This will be distributed to all U16 players.

### MOUTHGUARD enforcement

## **New Referee needed**

In 2011 each Junior Club in WA will be required to provide a person to become an accredited referee for the Junior Competition. Therefore our club is required to recruit a new referee. The minimum age is 14. The competition does not run without a person called "Sir" (it is genderless in the game played in heaven). Accreditation is free and referees are paid on game day. This is a prestigious contribution to our great sport and our community, and looks great on a Curriculum Vitae, especially for students who will be entering the workforce in the future. The person can be a mum, dad, sister, friend, junior player etc. Please see Tom if you can nominate someone or would like further information.

## **MATCH REPORTS OR MEMO**

### **Under 6s.**

Wests played against Rockingham this week. The opposition were fast, organised and large – with their number 2 having a particular size advantage! Notable tags were made by Tom, Logan, Robbie and Johnny. Try scorers were Jayden, Johnny, Xavier and Jayden. Both teams favoured the corner posts for all tries. Robbie deserves special mention for his excellent tagging and was awarded Player of the Match. Overall, Rockingham provided the strongest competition yet and Wests rose to the challenge. The team continue to improve each week.

### **Under 7s**

The Under 7s put in another solid performance against Rocky Purple. Connor, William and Ian ran hard in attack while Jonny has stepped up to the U7s with a great deal of confidence and skill. Bruno and James made good ground by running straight and side-stepping while Zack and Emmet provided great back up. Tex took note of the coach's instructions and put in a great defensive effort especially in the second half and was awarded the Man of the Match. Thanks to Regan for coaching and Jim for taking on the refereeing duties and doing a magnificent job despite some sideline pressure!!!! You earned that beer Jim :)!

### **Under 8s**

It was all flair and fancy footwork from the U8s this week against Palmyra White. Charlie, Kauri and James were very impressive with their stepping (there was even the odd Quade Cooper goose-step) and long cut out passes. George was unlucky not to score a couple of tries when he was tagged right on the line - although he did his best to convince the ref that he was over!! Piripi, William and Harrison backed up well, made some good breaks and worked tirelessly in defence. James Silsbury was awarded the Man of the Match for his reading of the game and some great one-handed off loads to set up a number of tries. Well Done boys!!

### **Under 10s**

The boys from Palmyra looked like a force to be reckoned with but our boys proved that Wests are a formidable opponent. We played our best game all season despite a few high tackles from Palmyra. Joshua Stops made a fantastic run in the first half which saw him leap over the line, in a very gracious manner, to score our first try! The boys supported each other well throughout the game and we saw some great moves by Nepia and Basti. Connor was amazing as he pulled the big Palmyra boys down to the ground and Matthew and Ben also played some thrilling rugby. Men of the match were Jamie and Connor but the entire team were superb. It really was an exciting match where all the boys from the Under 10s gave a tremendous effort. Let's keep it up! Well done Wests!!

### **Under 11's**

It was Wests v Wanneroo Green on Saturday, with Wests victorious 36-5. It was a great example of teamwork with many contributors. Quin Connelly scored 2 tries but it was his defence that shone taking on opposition players that were twice his weight and committing to the tackle. Robbie Thompson had an outstanding game and is proving to be a very valuable winger, managing to escape the clutches of the opposition in the smallest of spaces and was unlucky not to have scored a try on the weekend. Sean Beavis is improving each week and has gone from the 'joker' at training to the committed front-rower when it counts. He is demonstrating a maturity and resilience on the field which everyone on the side line takes note of.

Well done Aquila Mulombwa! He showed all the team how to take the stuffing out of the opposition with some fantastic power driving tackles. It is a joy for us all to see Aquila use his natural talents and set a great example to his team mates with his selfless attitude and positive response to instructions.

Yet again, the team and spectators should be congratulated for the spirit they play and watch the game in which makes it such a joy to attend on a Saturday morning. Look forward to seeing you all again this Saturday.

### **Under 12's/13's**

Despite being a few players down (Rockingham kindly lent us one of their boys) They still managed a fantastic win. The team is consolidating well.

### **Under 15's**

Gold Team played a great game against Kalamunda which ended with a victory to Wests Well done boys. Swan Team Played a great game against University. It is good to see a lot of support at the games from both teams. Well done to both teams !!

### **Under 16s**

Bye
